## What's Energy thoooo?

On Energy, you can let your fans become active participants in the work they love by offering them a monthly membership. You give them access to exclusive content, community, and insight into your creative process. In exchange, you get the freedom to do your best work, and the stability you need to build an independent creative career.

## Develop a recurring income stream

Stop rolling the dice of ad revenue and per-stream payouts. Get recurring income through monthly payments from your Energys.

### Mikki Kendall

**Writer**

The reliable monthly income has made it possible for me to spend less time chasing checks and more time creating.

## Take back creative control

Create what you want and what your audience loves. You don't have to conform to popular taste or the constraints of ad-based monetization models.

### Baratunde Thurston

**Writer, comedian, commentator**

"Twenty years into my career, I realize I've been scattering my creativity and energy, chasing the approval of algorithms or network executives."

## Build a direct, meaningful connection with your audience

No ads, no trolls, no algorithms. Enjoy direct access and deeper conversations with the people who matter the most.

### Heather McDonald

**Juicy Scoop Podcast**

"With Energy, it's not about likes and views, you can really connect with your fans, ignore the haters and focus on the positive. I'd rather have 300 Energys than 3 million Instagram followers."
